

Breast Enhancement Patient Worksheet

For more information call Dr. Barry J. Kaplan

407-647-4411

1. Will I be put in hospital or can it be done under local anesthesia in the office?

2. How many breast augmentations per year do you perform?

3. How natural will they look?

4. Can I still breast feed my future children?

5. Do you recommend Saline or Silicone

a. Why?

Breast Enhancement surgery is an important decision.
